## Tour Perú

with Gabriel Alegria  
and the Band!

Considering the energy and joy found in each of Gabriel's Performance, imagine the uplifting experience of 10 days on the road with the band. This will be a first-class tour of Perú including entertainment, spectacular scenery, music, and the best cuisine in the New World. Tour Perú happens in conjunction with Gabriel's concerts amidst the joy and laughter of Afro-Peruvian music. We'll even do a little zapateo dancing with Huevito and nightly Afro-Peruvian drum circles.
